

January 2019

We are pleased to share the news that local business **A&A Motors** is supporting Jamie's fund at CRY as one of their chosen charities for all their fundraising events in 2019.

The other charity being supported by A&A Motors is **The Stephen Hughes Foundation**, which also raises awareness of young cardiac issues within our local community.

## **\*\* Our thanks to all the team at A&A Motors \*\***

We will list any fundraising activities on our website events page once we know dates..!

The poster features the A&A Motors logo in a blue circle on the left. To its right, the words 'CHARITY FUNDRAISER' are written in a large, blue, hand-drawn font. Below the logo, there are three paragraphs of text. A blue speech bubble on the right contains the text 'WE CAN MAKE A DIFFERENCE'. At the bottom, there is a blue curved banner with the text 'THE TWO CHARITIES WE ARE SUPPORTING ARE'. Below this banner, on the left, is the Jamie Loncaster Memorial Fund logo and text, with 'In association with C.R.Y.' below it. On the right is the Stephen Hughes Foundation logo, which is a red circular emblem with a white center and the text 'THE STEPHEN HUGHES FOUNDATION' around the perimeter.

# CHARITY FUNDRAISER

All the staff at A&A Motors are supporting two great charities for 2019.

We would like to invite our customers to help raise funds towards these amazing causes.

Whatever amount you pledge (however small) A&A Motors will match it.
