

## Heart Screening Event – April 2024

The **Cardiac Risk in the Young** mobile screening team came back to the area on 3<sup>rd</sup> & 4<sup>th</sup> April 2024. Once again South Hunsley School offered us use of “The Space” for the full two days and provided assistance from the premises team as well as a refreshments trolley from the catering team as usual.

**186** young people had an ECG heart tracing, with a further **2** having an additional echocardiogram scan on the day. The CRY Cardiologist in attendance reviewed all the ECG traces and scans and spoke with each person to discuss the results. **6** people were referred for a follow up with their GP with regards to symptoms/ family history or further tests.

**The April 2024 ‘team photo’** (Some of the CRY team missed the photo this time).

National CRY statistics from over 20 years of screening show that 1:100 people screened will have an irregularity with their heart and 1:300 will have a potentially life-changing condition.

Our next screening event will be at South Hunsley School in **October 2024** and booking will be released during early September 2024 at [www.testmyheart.org](http://www.testmyheart.org) and on our social media feeds.

As always, a huge thanks to everybody involved.

**#JamieRemembered** ♥
